WETMORE TOOL & ENGINEERING RECEIVES SILVER BOEING PERFORMANCE EXCELLENCE AWARD

Chino, California, July 13, 2015

Wetmore Tool and Engineering announced today that it has received the 2014 Boeing Performance Excellence Award.

The Boeing Company issues the award annually to recognize suppliers who have achieved superior performance. Wetmore Tool and Engineering maintained a Silver composite performance rating for each month of the 12-month performance period, from Oct. 1, 2013, to Sept. 30, 2014.

This year, Boeing recognized 548 suppliers who achieved either a Gold or Silver level Boeing Performance Excellence Award. Wetmore Tool and Engineering is one of 429 suppliers to receive the Silver level of recognition.

“We are honored to receive Boeing’s Supplier Excellence Award,” said Wetmore’s CEO Andrew Pramschufer. “Our employees are the foundation of Wetmore’s success and have created our lean enterprise that focuses on best-in-class quality and delivery performance.”

Wetmore is the leading precision cutting tool and fastener manufacturer servicing the aerospace, fluid power, automotive, and industrial market segments. The Wetmore operational model is laser focused on delivering the highest quality products, on-time to your delivery schedule, at the best possible value.
